There are ca 47 million african americans in USA:

By DANIELLE GREYMAN-KENNARD:

<https://www.jpost.com/author/danielle-greyman-kennard>

She, Danielle Greyman-Kennard, mentions a rant by Kent West and she refers to US population by writing: "It is unclear what his remark is in reference to, since as of 2021, the US population was five and a half times that at 331.9 million people"

Kenya West is referring the african america population when West says "us" in this video:

Just before 3:25 Kenya West refers to "nigger" thus Kenya West is addressing someone most likely an african american, a nigger (a negro). If we count in all with african blood then US population of african americans are most likely near 60 million and probably more. Many slaveowners begat african girls who begat who begat etc.

The "rant" by Jerusalem Post is purely propaganda and of the worst kind to support anti-semitism and to support an illegal state Israel in that it is occupied illegally after second world war after the treaty of Versailles after first world war.

"60 million jews": I will kindly remind Jerusalem Post, that anyones is a jew as per The Bible. There are ca 8.5 billion people and all are jews according to The Bible.

יהוה relates to הוה glory majesty thus Jesus hangs on a cross which is the glory and Jesus seen with halo thus King, majesty, of all PEOPLE because PEOPLE are all jews as per Bible.

Maltese for Jew in Hebrew is: יא <https://glosbe.com/mt/he/jew> and since יא is cognate 9, then all are biblical jews. Reverse XI.

Thus Israel is a land, Earth in fact, for all 8.5 billion people as per Bible. If state of Israel wish to be, I would suggest inviting all 8.5 billion people first and then start killing afterwards. When Israel kills Jews, then it seems an oxymoron that state of Israel is killing Jews.

My best suggestion is, that Jerusalem Post listens to Yuval Harari: <https://youtu.be/mnHEWzbMzL0?t=75>
@fake news just think of the Bible@ Harry Potter.

This may be considered grant too by Yuval Harari and even Jerusalem Post..

Jerusalem Post mentions Yuval Harari <https://www.jpost.com/israel-news/culture/article-723392> an Israeli and has Bible and Torah as foundation yet speak of biblical Harry Potter and fake Bible.

I would like for Jerusalem Post to reply if Torah and Bible is a fake as Yuval Harari tells us to think about?

If born from a mother virgin (army Mary), am I then not too a Jew and can claim by right over a fake state, as per professor Yuval Harari? Would anyone claim such a fake state knowing an Israelite refers to this land, Earth, people, as Harry Potter?

Thank you.
